

## BUILDING PERMIT REQUIREMENTS

ALL PERMITS ARE GOVERNED BY THE DISTRICT CODE

Complete [Permit application](#).

Provide Site Plan indicating the approximate location of the grinder station, well location, and the proposed sewer and water lines to the house for Engineer review.

Complete [easement](#) and have it notarized.

Send the completed application, permit fee of \$125.00, and the construction deposit of \$5000.00 to:

The Secretary of the Lake Washington Sanitary District  
108 South Minnesota Ave. Suite 400  
St. Peter, MN 56082  
Phone (507)345-3354

Upon receipt, and the approval from the District Engineer the permit will be approved, at which time the District Maintenance Technician should be contacted (507)-995-7806 to arrange for the instillation of the Station/Grinder. Once the instillation is completed and inspected by the District or the Engineer, the deposit will be returned.
